Inhale, Exhale...

Maintaining Proper wellness is key, no matter where your travels take you, our fitness center is open 24 hours to use at your leisure to make exercising easy. Verbena Spa offers a variety of wellness & fitness classes, drawing on a variety of disciplines and techniques, helping you make the most of your stay.

Private Group Class Options

HIIT

A full-body workout this rigorous, high-intensity interval training sequence is designed to support cardiovascular well being and improve muscular strength & endurance. Challenge your limits and walk out feeling strong.

BOOTCAMP

This total body workout engages the abdominal core, legs, and arms, with a focus on building strength through your own body weight and utilizing tools like the Magic Circle, weights, and stretch bands.

YOGA

A form of non-aerobic exercise that combines precise posture, breathing exercises, and meditation to create a union of mind, body, and spirit.

Said to cultivate energy, yoga practice can lead to a state of greater physical health, relaxation, happiness, and tranquility while supporting flexibility and increased strength

SOUND BATH

A deeply immersive, full body experience that uses sound to bring awareness to align your vibrations. Allow the sounds of overtone-emitting instruments to shift your brainwaves into a dreamlike state that invites deep relaxation.

GUIDED MEDITATION

Meditation is a practice guiding the mind toward a heightened sense of wellbeing.

The term encompasses a broad range of practices including techniques designed to promote relaxation, build internal energy, and foster compassion, love, patience, generosity, and forgiveness. With different meanings across contexts, meditation practices are part of numerous religious and cultural traditions around the world.

General meditation guidance includes an introduction, deep breathing exercises, and the repetition of a mantra (or a short saying) with eyes closed. Together, these combined efforts can inspire deep relaxation and peace through a practice that can be performed anywhere.

BARRE FUSION

An intense cardio workout performed at the ballet barre and formatted to be a heart-pumping good time, increasing cardiovascular strength while helping to tone, sculpt, and lengthen muscles from head to toe.

PILATES REFORMER

A combination of Pilates and stretching, the reformer machines help support and enhance overall fitness and wellbeing through improving core strength, flexibility, coordination, and balance in the body, back, and spine.

PILATES FUSION

Support core strength with mat exercises that utilize your own body weight and resistance techniques.

Pilates is a low-impact, deep-reaching workout focused on the core – including abdominals, pelvis, back, shoulders, and buttocks. Supporting a range of fitness goals from strength building to increased flexibility, classes incorporate small props such as bands, fitness circles, and foam rollers to improve posture, increase lung capacity, and create strong, sculpted muscles.

GUIDED RUN

Enjoy a scenic run around Austin's very own Lady Bird Lake. This two-to-five-mile run is open to all fitness levels and includes guided stretches before and after the run.
